

The Minnesota Valley Chapter of the Izaak Walton League at 6601 Auto Club Drive is seeking a subdivision of its lower 21 acres in the Minnesota River bottom so that it may be sold to the Minnesota Valley Trust so that it can be incorporated it into the proposed Minnesota State Trail which would run through Bloomington.

The subdivision would not affect the chapter's remaining bluff top property in any way.

Thank you. I hope this is sufficient for your needs.

Laurie Blake,  
Secretary  
Minnesota Valley Chapter
